Scattergories score sheet

Write player or team names in the top row.

Names				
Round	Score	Score	Score	Score
Round 1				
Round 2				
Round 3				
Total				

Play three timed rounds. Each accepted answer beginning with the rolled letter scores 1 only if no other player has the same answer for that category. Duplicates score 0; resolve challenges before recording each round total. If using the alliteration bonus, an accepted multiword proper name earns 1 per word beginning with the key letter; agree before play. Enter settled round totals, including zeros. Finish manually after round 3; highest cumulative total wins. If tied, add extra rounds for the tied players until the tie is broken (enter 0 for other players), then finish manually.
